## HIGHLIGHTS!

We had so much community involvement this year! We mailed sponsorship letters to local businesses and sustainers which yielded \$7,200. School Liaison provided 55 kids with coats and boots, along with three pairs of glasses to other local kids.

NSL members purchased and wrapped Christmas gifts for 5 different families in the area, which included 19 children. We were also able to give \$150 to 4 different families involved in a house fire, and a Martin's gift card to another family in need of food.

NSL members participated in a food drive at Martin's Supermarket which raised \$300 and collected 11 boxes of food. Fit Stop 24 partnered with us to hold a toy drive. Integrity Real Estate had a winter coat drive.

Despite the yucky weather, our Inaugural Easter Egg Hunt (4/9/22) was a success. There were about 75 kids in attendance and close to 2,000 eggs with candy and prizes.

We awarded \$3,000 in college scholarships. Recipients were Connor Tittle (Brandywine) and Kaelynn Smith (Niles). We also continued to support Maeli Rogers with the Janus Fund renewable scholarship.

With so much help from the community this year, we were able to give back more than in the last couple of years. We donated to Project Graduation at both Niles

Please message us on our Facebook page if you know a Sustainer that has lost contact with NSL!
